	25X1A
25X1	Accompanied the Director, Messrs. Colby and Houston, and who appeared before the Subcommittee on Intelligence of House Armed Services Committee on the Ellsburg matter. See Memo for Record and transcript.
25X 2 5X1A	Accompanied the Director, Messrs. Colby and Houston, and who appeared before the full Senate Armed Services Committee on the Ellsberg matter. See Memo for Record and transcript.
25X1	in ISA, DIA, called and
25X1A	asked if she could note that Mr. Maury classified the material concerning the Penkovsky papers which we provided ISA, to give to Senator Strom Thurmond last year. She is now furnishing the information to Deputy Secretary of Defense Clements. I told her that she could note that Mr. Maury was the originator of the information.
25X1	Received from Bill Ashworth, Arms Control, International Law and Organization Subcommittee staff, Senate Foreign Relations Committee, a letter for the Director requesting testimony before the Subcommittee at a time to be arranged with the Committee staff concerning national means of verification and recent developments in Soviet and ChiCom strategic weapons. Ashworth told me that in a meeting with the Chairman it was determined that, if at all possible, the meeting be scheduled for Friday, 18 May. Carl Duckett, DDS&T, has been advised.
25X1	Met with Jim Lowenstein and Richard Moose, Senate Foreign Relations Committee staff, and put over the scheduled meeting requested by Senator Symington on communism in Cambodia from this afternoon to 2:30 Monday, 14 May. George Carver, SAVA, and Sam Adams, DD/I, have been advised.
